Regarding: Outstanding Contractor – “Outage Safety Award”

Dear Mike Lash,

We are pleased to inform you that Wheelabrator Frackville Energy Company, Inc. has selected your company to receive the Outstanding Contractor – “Outage Safety Award”. This honor is awarded to one contractor each year following our Annual Outage. The recipient of the award is selected by our employees voting for the contractor that they feel performed their tasks in the safest manner. The evaluation consisted of wearing the proper PPE, adhering to safety procedures, performing job task with the proper manpower, and communication while doing their job task.

As the our top outage safety contractor for the 2008 Annual Outage, Wheelabrator employees and staff would like to congratulate **Camco**. on this achievement. As an OSHA VPP Star facility, we take great pride in safety and appreciate your uncompromising commitment to maintaining a safe work environment during our outage.

We are presenting you with a plaque as a token of our appreciation and we will be adding your company name to our “Outstanding Contractor” plaque located in our front office.

Sincerely,

Tim Porczynski
